An effective method for figuring out a value is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the brand new e book, however don't include a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Be sure that your gross sales copy is exactly the identical on every web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum value is.
