Begin on the highest value the market will bear to usher in the largest profits, and plan to discount the guide a number of times all through the year.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is strictly the identical on

each page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum price is.
