Do this by creating a sales page for the new e book, but don't include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with completely different prices on every page. Make sure that your gross sales copy is precisely the same on every

page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.
