If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the brand new book, however do not embrace a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Make sure that your sales copy is precisely the same on each page,

and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, if you've written a book that solves a problem or presents a new approach, your book will bring in both site visitors and profits. So make sure to write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 1011 e-book will be to the shoppers who buy it.
