Do that by creating a sales page for the new ebook, however don't embody a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Be certain that your sales copy is precisely the same on each web

page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum worth is.

In the end, in the event you've written a guide that solves a downside or presents a new technique, your guide will bring in each visitors and profits. So make sure to write that promoting-deal with sentence that sums up what downside your e book solves and what the advantages of your 105 guide shall be to the customers who buy it.
