Then be sure you use that sentence in every piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are a number of different strategies that may help you promote more books.

One is to present one thing away at no cost along with your e book, such as a worthwhile bonus item. Or bundle a number of ebooks below one price, which lowers the price for each ebook if they were offered separately.

An efficient approach for figuring out a worth is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a gross sales web page for the new e-book, but do not include a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is exactly the similar on every

page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum price is.

Ultimately, in the event you've written a guide that solves a problem or presents a brand new approach, your ebook will herald each site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 1078 e-book might be to the purchasers who purchase it.
