promotional materials, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously online, there are several other methods that may enable you promote extra books.

One is to offer one thing away without spending a dime with your book, equivalent to a valuable bonus item. Or bundle a number of ebooks underneath one price, which lowers the worth for every ebook if they had been bought separately.

An efficient approach for determining a value is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the brand new book, however don't embrace a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is exactly the identical on each web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum price is.

Finally, when you've written a book that solves a drawback or presents a brand new technique, your guide will usher in both site visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your guide solves and what the advantages of your 109 guide will probably be to the purchasers who buy it. After which watch your market come to you!
