If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the new book, but do not include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different prices on each page. Make sure that your sales copy is exactly the same on each

page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum price is.
