In case your book solves an issue or answers questions in a new and unique way, you must price your guide as high as you'll be able to go. You will obtain bigger earnings this way, but bring in fewer customers. If you want to see giant earnings over customer draw, aim for an audience that's looking for easy solutions to their problems at a low price. In case your ebook is aimed toward fixing one particular

downside quite than basic recommendation, then you may charge more. Start on the highest worth the market will bear to bring in the largest profits, and plan to low cost the e-book a number of occasions all through the year.
