If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new ebook, however don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is strictly the same on every page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum price is.

Finally, should you've written a e book that solves a problem or presents a brand new technique, your e book will usher in both site visitors and profits.
