As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different costs on every page. Be certain your gross sales copy is exactly the same on each page,

and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum value is.

Finally, for those who've written a e-book that solves a drawback or presents a new technique, your guide will herald both visitors and profits.
