One other strategy is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be certain that your gross sales copy is exactly the

similar on every web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum value is.

In the end, in case you've written a book that solves a problem or presents a brand new technique, your e book will herald both site visitors and profits.
