One other strategy is to check out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Ensure your sales copy is precisely the identical on each web

page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum value is.

Finally, should you've written a e-book that solves a drawback or presents a brand new approach, your guide will herald each site visitors and profits. So remember to write that selling-deal with sentence that sums up what downside your book solves and what the advantages of your 1371 ebook can be to the shoppers who buy it.
