One other technique is to check out costs by making a number of duplicate sales pages with different costs on every page. Be certain your sales copy is strictly the similar on every page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum worth is.

Finally, for those who've written a guide that solves a drawback or presents a new technique, your book will herald each site visitors and profits.
