An efficient approach for figuring out a price is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new e-book, however do not embrace a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different costs on each page. Be sure your gross sales copy is strictly the similar on each web page, and contains your promoting-handle sentence. Ultimately, in the event you've written a guide that solves a problem or presents a new technique, your e-book will usher in both site visitors and profits.
