Do this by making a gross sales web page for the new ebook, however don't include a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with totally

different costs on each page. Be certain your sales copy is exactly the same on each web page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum worth is.

Ultimately, in the event you've written a guide that solves a drawback or presents a new approach, your book will usher in each traffic and profits. So be sure you write that selling-handle sentence that sums up what problem your guide solves and what the benefits of your 1421 book will likely be to the customers who buy it.
