An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the brand new guide, but do not embrace a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is precisely the identical on each page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum price is.

In the end, in the event you've written a ebook that solves a problem or presents a new method, your book will bring in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your e-book solves and what the advantages of your 1429 ebook will likely be to the shoppers who purchase it.
