Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with different costs on every page. Make sure that your gross sales copy is exactly the similar on each

web page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum worth is.

Ultimately, for those who've written a ebook that solves a drawback or presents a new approach, your book will usher in each site visitors and profits.
