However, in case your e-book incorporates precious ? and extra importantly NEW data, references, or strategies ? then you need to goal to price it on the excessive end.

After you determine your purpose, you need to work out what your viewers's need is on your ebook. For example, does your book remedy a particular downside? Do that by creating a gross sales page for the new guide, however do not embrace a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum price is.
