Then be sure to use that sentence in every piece of sales and promotional material, and every time anybody asks you about your ebook.

Moreover promoting your books assiduously on-line, there are a number of different methods that can help you sell more books.

One is to present something away at no cost together with your e-book, resembling a useful bonus item. Or bundle a number of ebooks under one worth, which lowers the worth for each ebook if they were bought separately.

An effective approach for determining a price is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the new book, but do not embody a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your sales copy is exactly the similar on each

web page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

Ultimately, for those who've written a guide that solves a downside or presents a brand new approach, your e book will herald each site visitors and profits. So be sure to write that selling-deal with sentence that sums up what downside your e-book solves and what the advantages of your 1518 guide will be to the customers who buy it.
