page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Make sure your sales copy is exactly the same on each page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum value is.

Finally, when you've written a guide that solves a downside or presents a new technique, your guide will bring in both traffic and profits.
