The key that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your promoting handle. Then make sure you use that sentence in every piece of gross sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are a number of other strategies that can enable you to promote extra books.

One is to present something away for free along with your e-book, reminiscent of a invaluable bonus item. Or bundle several ebooks beneath one value, which lowers the worth for every e book if they have been sold separately.

An effective method for figuring out a worth is to send out a survey to your current customers. If these prospects have already bought a book from you, ask for their opinion by way of price. Do this by making a sales page for the brand new e book, however don't include a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is exactly the same on

every web page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.

In the end, should you've written a guide that solves a problem or presents a new method, your guide will bring in both site visitors and profits. So be sure to write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 1595 book will likely be to the purchasers who buy it.
