After you determine your objective, it's essential to work out what your audience's want is in your ebook. For example, does your e-book resolve a selected downside? If it does, and solves it in a manner that hasn't been written about in one hundred other ebooks, you'll be in a position to obtain

high sales at a high price. In case your ebook solves an issue or answers questions in a new and distinctive means, you need to value your book as excessive as you'll be able to go. If you wish to see giant profits over buyer draw, intention for an audience that is in search of simple solutions to their problems at a low price.
