Do this by making a gross sales page for the new book, but do not embody a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Ensure that your gross sales copy is precisely the identical on every

page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.

Finally, in case you've written a book that solves a problem or presents a brand new technique, your guide will bring in each visitors and profits.
