If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the new e-book, however do not embody a value on that page. Another strategy is to test out prices by making a number of duplicate sales pages with different prices on every page. Ensure that your sales copy is exactly the same on each web page, and includes

your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.
