period customers are extremely probably to purchase from you once more and again ? as long as the primary e book they buy is of distinctive quality and helpful to the customer.

After you figure out your objective, you must work out what your audience's need is in your ebook. For example, does your book remedy a particular problem? If it does, and solves it in a means that hasn't been written about in 100 other ebooks, you'll be in a position to achieve high sales at a excessive price. If your book solves an issue or answers questions in a new and unique approach, it is best to value your e-book as excessive as you can go.
