As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

Finally, in the event you've written a e book that solves a downside or presents a new technique, your e book will usher in both traffic and profits.
