price. Do this by making a sales web page for the brand new book, but don't include a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with different costs on each page. Ensure your gross sales copy is exactly the same on each page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.

In the end, if you've written a e book that solves a problem or presents a brand new technique, your guide will bring in both traffic and profits.
