Do this by making a sales web page for the brand new e book, however do not include a value on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.

In the end, in the event you've written a ebook that solves a problem or presents a brand new approach, your book will bring in both visitors and profits.
