One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain that your gross sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

Finally, if you've written a e-book that solves a drawback or presents a new approach, your e-book

will bring in both site visitors and profits. So remember to write that promoting-deal with sentence that sums up what downside your book solves and what the advantages of your 1816 book shall be to the purchasers who purchase it. After which watch your market come to you!
