An effective method for figuring out a worth is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the brand new guide, however don't embrace a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Ensure that your sales copy is strictly the same on every

web page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum worth is.

Finally, for those who've written a e-book that solves a downside or presents a new approach, your e book will bring in both site visitors and profits.
