As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is exactly the same on each page, and

consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum value is.

Ultimately, if you happen to've written a guide that solves a downside or presents a new method, your guide will bring in both visitors and profits.
