Do that by creating a sales page for the brand new e-book, however don't embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Ensure that your sales copy is precisely the same on each page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, when you've written a book that solves a downside or presents a brand new method, your e-book will usher in each visitors and profits.
