that by making a sales page for the brand new guide, but do not include a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is precisely the same on every web page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a guide that solves a drawback or presents a new method, your book will herald both traffic and profits.
