Do that by making a sales page for the brand new e book, however do not embrace a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the similar on every

page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum value is.

Ultimately, if you happen to've written a e book that solves a downside or presents a brand new technique, your e book will bring in each site visitors and profits.
