Do this by creating a gross sales web page for the new ebook, but do not embody a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is exactly the similar on each page, and consists of your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum worth is.
