Do that by creating a sales web page for the brand new book, but don't embrace a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with totally different prices on every page. Ensure that your sales copy is exactly the identical on every page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum price is.

Ultimately, for those who've written a e book that solves a downside or presents a new technique, your e book will bring in both visitors and profits.
