After you determine your objective, you have to determine what your audience's want is to your ebook. For example, does your guide remedy a selected problem? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you'll be in a position to achieve excessive sales at a excessive price. If your e-book solves an issue or solutions questions in a new and distinctive method, it's best to price your ebook as high as you may go.
