this by creating a sales page for the brand new e-book, but don't embody a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different prices on each page. Be certain that your gross sales copy is precisely the identical on each web page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum worth is.
