An effective technique for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new guide, however don't embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is precisely the identical on every

page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.

Finally, for those who've written a guide that solves a drawback or presents a brand new technique, your e-book will herald each traffic and profits.
