Do that by making a gross sales page for the brand new e-book, however do not embody a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with totally different costs on each page. Be sure your gross sales copy is precisely the identical on every web

page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum price is.

In the end, for those who've written a ebook that solves a problem or presents a brand new approach, your e book will bring in both traffic and profits.
