As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with different prices on every page. Make sure that your sales copy is exactly the same on every page, and includes

your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.

In the end, should you've written a e book that solves a downside or presents a brand new approach, your book will usher in both site visitors and profits.
