An effective method for determining a worth is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new ebook, however do not include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is strictly the identical on each

web page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

Ultimately, in case you've written a guide that solves a problem or presents a brand new method, your guide will usher in both traffic and profits.
