If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the new e book, however don't embody a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure that your sales copy is exactly the identical on

every web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

Finally, in the event you've written a ebook that solves a downside or presents a new method, your book will usher in each traffic and profits.
