price. Do this by creating a sales web page for the new book, however do not include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is exactly the similar on every web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

Ultimately, for those who've written a guide that solves a problem or presents a brand new approach, your book will herald each visitors and profits.
