Another strategy is to test out prices by creating a number of duplicate sales pages with different costs on every page. Make sure that your gross sales copy is precisely the similar on each page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum worth is.

Finally, if you happen to've written a guide that solves a problem or presents a new technique, your e-book will herald each site visitors and profits.
