Another technique is to test out prices by making a number of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is precisely the similar on every

web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum worth is.

Finally, if you've written a book that solves a drawback or presents a brand new technique, your e book will bring in each traffic and profits.
