An effective technique for determining a value is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of

price. Do that by creating a sales web page for the brand new ebook, but do not include a price on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Make sure your gross sales copy is strictly the same on each page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum worth is.
