One other technique is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the identical on each page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a guide that solves a problem or presents a new technique, your guide will herald both site visitors and profits.
