Then you'll want to use that sentence in each piece of gross sales and promotional material, and each time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of other strategies that may allow you to promote more books.

One is to give something away for free with your ebook, comparable to a beneficial bonus item. Or bundle a number of ebooks under one worth, which lowers the price for every ebook if they have been bought separately.

An effective method for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the new ebook, but do not embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is exactly the similar on each page, and

contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

Finally, in case you've written a book that solves a problem or presents a new approach, your ebook will herald both visitors and profits. So be sure to write that promoting-handle sentence that sums up what drawback your e book solves and what the advantages of your 304 book might be to the customers who buy it. After which watch your market come to you!
